## CRFT 2022 Grüner Veltliner

### The K1 Vineyard - Peramangk Country - Kuitpo

Made by wife-and-husband winemakers Candice Helbig and Frewin Ries, CRFT Wines specialises in small-batch, single-vineyard wines.

Each CRFT wine is made with grapes picked from a single vineyard, and every bottle becomes a reflection of place – a story of site, soil and season.

We source fruit from a handful of vineyards across the Adelaide Hills and Barossa Valley, including our own NASAA Certified Organic Adelaide Hills vineyard - named Arranmore.

#### About the wine

This is our 10<sup>th</sup> vintage making wine from Geoff's Grüner grapes and our winemaking style has evolved over the past decade. In the early days we fermented in stainless steel tanks using commercial yeast and without solids, malo or oak. Now we wild ferment in tank and oak, leave wild MLF to take its own path and tinker less - this is a textural style that excites us.

A nose of citrus and floral notes with honeydew melon and peach. The palate is textural with fine acid, white pepper, lime and pear.
