

CRFT 2022 Grüner Veltliner
The Longview Vineyard - Peramangk Country - Macclesfield

Made by wife-and-husband winemakers Candice Helbig and Frewin Ries,
CRFT Wines specialises in small-batch, single-vineyard wines.

Each CRFT wine is made with grapes picked from a single vineyard, and every bottle becomes
a reflection of place – a story of site, soil and season.

We source fruit from a handful of vineyards across the Adelaide Hills and Barossa Valley,
including our own NASAA Certified Organic Adelaide Hills vineyard - named Arranmore.

Winemaking

Hand-made at CRFT winery in Carey Gully.
100% Macclesfield Grüner Veltliner hand-picked on March 15.
Half the batch was whole-bunch pressed; the remaining fruit was destemmed followed by 24-hrs
skin-contact before pressing.
Both batches were then blended in tank to begin full solids wild ferment.
Part way through ferment half of the batch was transferred into oak for wild fermentation in
older seasoned (neutral) French barriques.
The balance was wild fermented on full solids in tank.
100% wild yeast ferment. Full wild MLF. Occasional lees stirring. 12 weeks in oak.
Bottled July 2021.
